

BID DESCRIPTION: CUSTOMISATION, IMPLEMENTATION, MAINTENANCE AND SUPPORT OF THE ATHLETE MANAGEMENT SYSTEM

BID NO: CSA/06/2025/26

Cricket South Africa (CSA) is the national governing body for the sport of cricket in South Africa and administers all aspects of South African cricket, men and women, both in the professional and amateur spheres.

NATURE OF SERVICE PROVIDED

CSA invites you to submit proposals for an Athlete Management System. Our objective is to acquire a real time, cloud-based athlete management system that will monitor and manage the workload for all Proteas Men and Women, High-Performance Programme Men and Women (SA A, National Academy, SA Emerging, Fast Bowlers Programme, and SA U19), and the 15 professional domestic teams.

BRIEF SPECIFICATION:

CSA seeks to implement a fully integrated Athlete Management System (AMS). The AMS services will include, but will not be limited to the following:

- Centralises medical, performance, workload, and player availability data
- Provides actionable analytics and predictive insights
- Integrates seamlessly with existing technologies (GPS, wearables, strength testing and training equipment and software, imaging systems, communication platforms)
- Supports secure, role-based access across stakeholders
- Enables consistent standards across national, franchise, and pathway structures
- Reduces administrative burden while improving decision quality
- Supports and incorporates online Personal Development Plans (PDPs) for all player cricket activity, as well as individual performance targets.
